

## **CV Mrs. Dr Anke Nestler**

Dr Anke Nestler studied business administration at the University of Passau and received her doctorate (Dr. rer. oec.) from the Technical University of Berlin. After working in the industry, at one of the Big Four auditing firms and in the corporate finance team of a large law firm, she founded VALNES Corporate Finance GmbH in 2008 as a spin-off.

Dr Nestler is a publicly appointed and sworn expert for the valuation of companies and intangible assets as well as a Certified Licensing Professional (CLP) and Certified Valuation Analyst (CVA). As managing partner of VALNES Corporate Finance GmbH, she specializes in the valuation of companies and intangible assets as well as in license valuation. She advises in the context of corporate law measures, in M&A transactions, in restructurings as well as in successions. She provides expert opinions in contentious cases and acts as a court expert, expert witness, and arbitrator.

Dr Nestler is a member of the expert committee of the Frankfurt Chamber of Industry and Commerce for the appointment of experts for business valuations, chairs the IP valuation committee of LES Germany, is a listed expert at WIPO and is active in numerous other expert committees.
